

Preserve at Carriage Cove

Oak Ridge, NC

The Preserve at Carriage Cove is home to our most luxuriously appointed homes. Each home is built on a crawl foundation, has brick veneer on all four sides, and comes with a three-car garage. Yards are professionally landscaped with Keystone Homes' signature look, and come with a concrete driveway and front walkway. Inside you will notice the subtle features that add to the elegance of the homes, wainscoting in the foyer, chair rail in the dining room, and either a vaulted or tray ceiling in the primary bedroom per plan. The primary bedroom is elegantly equipped with a shower, including a semi-frameless door, a garden tub, and a private water closet. Sand and stained hardwood flooring adorn the main living areas on the first level. Kitchens come with Whirlpool appliances, a pantry, plenty of cabinetry, and a thoughtfully designed layout. Quartz countertops in the kitchen and bathrooms are standard in this community.
